

No. 8 Lighting is here for you – every step of the way – during COVID-19 and beyond.

The health and welfare of customers, employees, friends and family are of the utmost of importance to us during these challenging times.

Throughout this pandemic, No. 8 Lighting has taken steps to answer questions, take orders, operate, assemble, and ship product without any interruption.

Following California COVID-19 guidelines, one of the most comprehensive in the USA, No. 8 Lighting requires daily symptom checks of its employees, masks at all times inside and outside the facility and maintains a 6' distance between all personnel.

With our efficient management of inventory and ongoing communication with our supply partners, we continue to maintain 5-10 day lead times that rival the biggest manufacturers in the lighting industry.

Our Customer Service and Sales teams are at the ready to answer any question and assist you with your projects – seamlessly and tirelessly – every step of the way.

All of us at No. 8 Lighting send our best wishes to you and your family to stay healthy and safe as we navigate this challenge together.
